REGISTRATION FORM

GAJAN ENDORSES THE ... 1ST GLOBAL LITERACY GOLF CLASSIC

We are excited to announce that a well-known, young and upcoming golfer, Gajan Sivabalasingham, will be attending this charitable event. Gajan, age 16, has been competing since he was 4 years old and has already earned the distinction of being the youngest Canadian to represent his country at an international golf

tournament. Amongst numerous wins, Gajan has won the Mississippi Exxon BFI Future Tour, the Ontario Bantam Championship and has qualified and taken part in the Men's Canadian Amateur. In addition to these achievements, the young Canadian golfer has also spent his time contributing to the community. In 2004, Gajan began the "Gajan's Golf Classic for Sick Kids" and has raised a total of \$85,000 to date. We are delighted to have Gajan support this charitable cause.

ABOUT GLOBAL LITERACY

Global Literacy is a Canadian not-for-profit organization committed to promoting computer literacy in disadvantaged communities in Canada and internationally, in partnership with private and public sector organizations, and individuals.

Global Literacy is the principal sponsor of SchoolNet Guyana, bringing computer technology to 120 high schools in Guyana. Each school is to be equipped with 30 computers, a server and a video projector, along with educational access through the internet. Assistance will also be provided for curriculum development, teacher training and professional development. Student management software is currently being developed.
